

ASIGNACIÓN DE GRUPOS DEFINITIVA

CURSO 2018/19

De acuerdo a la normativa de asignación de grupos de la Facultad de Educación (disponible en <http://educacion.uah.es/estudiantes/horarios.asp>) y finalizados los plazos establecidos para la solicitud de elección de grupo por parte de los estudiantes, se hace público en este documento la resolución definitiva para el curso 2018/19.

En los listados aparece el número de asignaturas que el estudiante tiene asignadas en cada uno de los grupos (las asignaturas optativas, transversales, Practicum y Trabajo Fin de Grado no tienen grupo asignado al haber solo uno posible, por lo que no se consideran en este recuento). **Para conocer en detalle cada asignatura y su correspondiente grupo, el estudiante debe acceder a Mi Portal de la Universidad (<https://portal.uah.es>) con su usuario y clave a “Mis Recibos”. Ahí puede visualizar su recibo de matrícula en el cual se indica el grupo asignado a cada asignatura de forma actualizada.**
